(112)-345-5555

Education

University of Maryland College Park, MD Expected Dec 2025
B.S. Civil Engineering, Project Management Track GPA: 2.7
Montgomery Community College Rockville, MD May 2022
A.S. Mechanical Engineering (Honors Program) GPA: 3.5

Relevant Coursework

Engineering for Sustainability | Groundwater Hydrology | Project Planning, Estimating, & Scheduling

Internship Experience

Clark Construction—Engineering Intern San Francisco, CA May - Aug 2024

- Developed a database to be used for future bids by collecting, sorting, and analyzing a wide variety of data from previous projects.
- Generated requests for information for concrete related supplier inquiries by utilizing Google Slides and Microsoft Office.
- Tracked supplies and financials by keeping inventory of multiple subcontractor deliveries through the utilization of various logs, saving the project over $1,500.

Technical Projects

Civil 3D Gravity Pipe Network—Independent Project Frederick, MD July 2022

- Utilized AutoCAD Civil 3D to design a gravity pipe network to evaluate energy and hydraulic grade lines through analysis of rainfall data.
- Reviewed calculations of pipe network graphically in a .csv file and adjusted the network based on the results.

Energy Efficient House Design Project—Team Leader College Park, MD Sep - Dec 2022

- Designed and constructed a small-scale energy efficient house to explore sustainability ideas under a $500 budget as a team of four.
- Calculated and investigated the size and quantity of solar panels needed for affordability and sizing for the roof
- Presented 20-page design report to board of six engineering professors.

Work Experience

Department of Transportation Services—Student Driver College Park, MD Aug 2022 - Present

- Coordinate timely and reliable UM-Shuttle transit service involving over 30 vehicles to about 260,000 riders.

The Greene Turtle—Wait Staff Frederick, MD May 2020 - Aug 2021

- Provided customers with timely and quality service while working in a fast-paced, high pressure environment.

Activities and Affiliations

Alpha Omega Epsilon, Women in Engineering Sorority—Sister Apr 2023 - Present
Maryland Club Soccer Team—Team Captain Sep 2023 - Present
